Goal COO-1: ~~GOAL #18 –~~ Intergovernmental Coordination

Establish processes among Citrus County and the various governmental, public, and private entities to coordinate development, preserve and improve the quality of life, ~~and~~ efficiently use available resources, and advance the priorities of Citrus County .

~~Plan Coordination~~

Objective COO-1.1: ~~Objective 18.1~~ Comprehensive Plan Coordination

~~The~~ Citrus County shall coordinate the Comprehensive Plan with Comprehensive Plans of the Cities of Crystal River and Inverness, Comprehensive Plans of adjacent counties and municipalities, and Plans of other units of local government and regional authorities providing services but not having regulatory authority over the use of land. This shall be accomplished during the amendment process each year.

Policy COO-1.1.1: ~~Policy 18.1.1~~ Planning and Development Documents

~~The~~ Citrus County's Comprehensive Plan and the County Land Development Code (LDC) shall be used as the primary sources for coordinating development and planning activities when reviewing development proposals and Plan amendments.

Policy COO-1.1.2: ~~Policy 18.1.2~~ Adjacent Jurisdiction Comprehensive Plans

~~The~~ Citrus County shall file a written request with adjacent counties and municipalities to receive copies of proposed Comprehensive Plans or plan amendments for review.

Policy COO-1.1.3: ~~Policy 18.1.3~~ Coordination of Planning with Other Authorities and Plans

~~The~~ Citrus County shall coordinate its planning activities implemented with the adopted Comprehensive Plans of adjacent counties and municipalities, the Cities of Crystal River and Inverness, the Five-Year Work Program of the Citrus County School Board, other units of local government providing services but not having regulatory authority over the use of land, with the Strategic Regional Policy Plan, the

State Comprehensive Plan, and the District Water Management Plan or regional water supply plan.

Policy COO-1.1.4: ~~Policy 18.1.4~~ Transparency of Plans

~~The~~ Citrus County shall make information available to the public on all development plans and proposals and services provided by County government.

Policy COO-1.1.5: ~~Policy 18.1.5~~ Annexation and Deannexation Review

~~Prior to annexation or deannexation of parcel(s) of land, the~~ Citrus County shall ensure that any annexation or deannexation of parcel(s) of land ~~the intended action~~ is consistent with the adopted Plans of all affected local governments and ~~,~~ shall strongly discourage the creation of enclaves and strongly encourage negotiated ~~settlements~~agreements.

Policy COO-1.1.6: ~~Policy 18.1.6~~ Intergovernmental Agreement for Roadway Extensions

~~The~~ Citrus County shall pursue an intergovernmental agreement with the ~~Cities~~ cities of Crystal River and Inverness to plan for the extension of City roads into the unincorporated portion of the County, with emphasis on the protection of future rights-of-way, ~~consistent~~ road alignments, level of service standards, and provisions for impact fee spending.

Policy COO-1.1.7: ~~Policy 18.1.7~~ Coordination with the Municipalities

The Citrus County Board of County Commissioners (BCC) shall conduct joint meetings with the Crystal River City Council and the same with the Inverness City Council for continued cooperation regarding mutual concerns and issues.

Policy COO-1.1.8: Interlocal Agreements with the Municipalities

Citrus County shall coordinate with the cities of Inverness and Crystal River in accordance with any adopted Interlocal Agreements.

Policy COO-1.1.9: ~~Policy 18.1.8~~ Interlocal Agreement for School Facility Planning

~~The~~ Citrus County shall coordinate with the Citrus County School Board in accordance with the Interlocal Agreement for Public Educational Facility Planning in Citrus County.

Policy COO-1.1.10: ~~Policy 18.1.9~~ School Facility Siting Coordination

~~The~~ Citrus County and the School Board shall continue to pursue collaborative planning and decision making relative to public school siting.

Policy COO-1.1.11: ~~Policy 18.1.10~~ Dispute Resolution Process

Conflicts with plans between Citrus County and adjacent local governments, local governments within the County, and adjacent counties that cannot be resolved by the affected parties may be brought to the Regional Planning Council for resolution through their Dispute Resolution Process or other available mediation mechanisms.

Policy COO-1.1.12: ~~Policy 18.1.11~~ Substance Misuse and Abuse Prevention

Citrus County shall consider partnership with agencies and community organizations for education, prevention, and treatment programs to reduce substance misuse and abuse in all neighborhoods and workplaces.

Policy COO-1.1.13: ~~Policy 18.1.12~~ Second-Hand Smoke Prevention

Citrus County shall support efforts to reduce exposure to second-hand tobacco smoke and/or e-cigarettes aerosol (a/k/a vaping) in or at ~~indoor and outdoor areas, particularly where vulnerable populations such as children and elderly are likely to be present~~public facilities owned by the County.

Policy COO-1.1.14: Transportation Coordination

Citrus County shall continue to coordinate with the Hernando/Citrus MPO and FDOT for the implementation of transportation projects and improvements in the County.

Policy COO-1.1.15: Broadband Coordination

Citrus County shall coordinate with broadband providers to expand broadband availability countywide.

Policy COO-1.1.16: Coordination with the Tampa Bay Regional Planning Council

Citrus County shall coordinate with the Tampa Bay Regional Planning Council (TBRPC) to ensure that local planning activities align with the plans and activities of the region.

Policy COO-1.1.17: Evacuation Coordination

Citrus County shall coordinate with the Florida Department of Emergency Management and the Tampa Bay Regional Planning Council to improve evacuation clearance times.

~~**Development Impacts**~~

Objective COO-1.2: ~~Objective 18.2~~ Development Impacts

Provide a process for intergovernmental coordination among the County, the Cities of Crystal River and Inverness, and adjacent counties and municipalities. This shall be accomplished through a memorandum of understanding, interlocal agreement, or other appropriate mechanisms, which establishes specific coordination activities.

Policy COO-1.2.1: ~~Policy 18.2.1~~ Participation in Intergovernmental Coordination

~~The~~ Citrus County shall make staff available to participate in intergovernmental coordination activities with other governmental, public, and private entities.

Policy COO-1.2.2: ~~Policy 18.2.2~~ Review of Local and Adjacent Comprehensive Plans

~~The~~ Citrus County shall participate in the local government review and adoption processes of Comprehensive Plans and amendments for municipalities within its boundaries and adjacent counties.

Policy COO-1.2.3: ~~Policy 18.2.3~~ Review of Local and Adjacent Projects

~~The~~ Citrus County shall review the potential impact of projects proposed in the County on~~by~~ other units of governments, both within and adjacent to the County.

Policy COO-1.2.4: ~~Policy 18.2.4~~ Review of Potential External Impacts of Development

~~The~~ Citrus County shall review the potential impacts of all development in Citrus County on the existing Comprehensive Plans of adjacent local governments.

Policy COO-1.2.5: ~~Policy 18.2.5~~ Siting of Facilities of Countywide Significance

~~The~~ Citrus County, as part of the development review process, shall provide neighboring units of local government the opportunity to comment on the siting of facilities with countywide significance, including locally unwanted land uses such as landfills, airports, mining activities, and other industrial uses which may exhibit such problematic characteristics as, but not limited to, noise disturbance, vibration, and air pollution.

~~Objective 18.3 RESERVED~~

~~**Conservation**~~

Objective COO-1.3: ~~Objective 18.4~~ Conservation

~~Citrus County shall c~~Coordinate with agencies and governments to further the Conservation Goals, Objectives, and Policies of the Citrus County Comprehensive Plan.

Policy COO-1.3.1: ~~Policy 18.4.1~~ Conservation Programs

Citrus County shall continue to participate in conservation programs of the Southwest Florida Water Management District (SWFWMD), Florida Department of

Environmental Protection, Florida Fish and Wildlife Conservation Commission, Florida Division of Forestry, and other appropriate agencies.

Policy COO-1.3.2: ~~Policy 18.4.2~~ Springs, Springshed, and Aquifer Protection Coordination

Citrus County shall coordinate with local governments located in the springsheds depicted on the Citrus County Springs and Springshed Map to ensure a consistent approach to springs, springshed, and aquifer protection.

Policy COO-1.3.3: Increasing Preserved Lands

Citrus County shall coordinate with the Florida Wildlife Corridor and other land conservation groups to increase and maintain preserved lands in the County.

~~Provision of Water~~

Objective COO-1.4: ~~Objective 18.5~~ Provision of Water

~~Citrus County shall c~~Coordinate with agencies and governments to further the Infrastructure Goals, Objectives, and Policies of the Citrus County Comprehensive Plan.

Policy COO-1.4.1: ~~Policy 18.5.1~~ Exportation of Water

~~The~~ Citrus County shall continue to coordinate with the SWFWMD, the Withlacoochee Regional Water Supply Authority, and other appropriate agencies to control exportation of water from the Withlacoochee River and Coastal Rivers Basins to basins outside these boundaries.

Policy COO-1.4.2: ~~Policy 18.5.2~~ Saltwater Intrusion Monitoring

~~The~~ Citrus County shall coordinate with appropriate governmental agencies to establish baseline studies on the saltwater/freshwater interface and to monitor saltwater intrusion.

Policy COO-1.4.3: ~~Policy 18.5.3~~ Bays, Estuaries, and Harbors Coordination

Citrus ~~The~~ County shall coordinate its Comprehensive Plan process with all public entities and/or local governments that have jurisdiction over management of bays, estuaries, and harbors.

Policy COO-1.4.4: ~~Policy 18.5.4~~ Water Supply Planning Coordination

Citrus ~~The~~ County ~~will~~ shall coordinate water supply planning activities with other local governments, public and private utilities, and water management districts regarding the potable water supply plan which shall be implemented in accordance with the 10 year Water Supply Facilities Work Plan.

~~Policy COO-1.1.1:~~Policy COO-1.4.5: ~~Policy 17.2.1~~ Services Adjacent to Cities

Citrus County shall ~~coordinate~~ consider establishing interlocal service boundary agreements (ISBA) with the ~~municipalities~~ cities of Inverness and Crystal River to coordinate the development of ~~serve~~ residential uses adjacent to the municipalities with utilities from those municipalities where that service will ensure the least expensive service, the best environmental protection ~~and where then municipality and County have entered into an interlocal agreement~~. [POLICY MOVED FROM FLUE]

Policy COO-1.4.6: ~~Policy 17.2.2~~ Joint Planning

~~The~~ Citrus County will explore ~~initiate~~ the creation of suburban service areas, joint planning agreements, or interlocal service boundary agreements ~~-~~around the municipalities and seek to develop interlocal agreements for the provision of urban utility services to these areas. [POLICY MOVED FROM FLUE]

~~Manatee Protection~~

Objective COO-1.5: ~~Objective 18.6~~ Manatee Protection Coordination

~~Citrus County shall c~~Coordinate with agencies and governments to further the Manatee Protection Goals, Objectives, and Policies of the Citrus County Comprehensive Plan.

Policy COO-1.5.1: ~~Policy 18.6.1~~ Manatee Protection Agencies

Citrus County shall continue to coordinate with County Sheriff's ~~Department~~Office, ~~Florida Marine Patrol~~Florida Fish and Wildlife Conservation Commission, US Fish and Wildlife Service, US Coast Guard, the City of Crystal River, and all other appropriate agencies and advisory groups to protect and preserve the West Indian (Florida) Manatee.

~~**Stormwater Management**~~

Objective COO-1.6: ~~Objective 18.7~~ Stormwater Management

Coordinate with agencies and governments to reduce flooding and improve surface water quality.

Policy COO-1.6.1: Water Quality Coordination

Citrus County shall partner with agencies and governments to implement the provisions and corrective actions identified within the Basin Management Action Plans (BMAPs), Surface Water Improvement and Management (SWIM) Plans, and Watershed Management Studies.

Objective COO-1.7: Economic Development Coordination

Coordinate with agencies and governments to further the Economic Development Goals, Objectives, and Policies of the Citrus County Comprehensive Plan.

Policy COO-1.7.1: Local Partnerships

Citrus County shall partner with local colleges, universities, technical schools, and workforce organizations to strengthen the County's economic competitiveness and increase employment opportunities.

[FOLLOWING TEXT FROM CME]

Objective COO-1.8: ~~Objective 4.14~~ Coastal, Lakes, and River Coordination

Establish an intergovernmental coordination mechanism to manage coastal, lakes, and river resources affecting or affected by City of Crystal River and the City of Inverness.

Policy COO-1.8.1: ~~Policy 4.14.1~~ Joint Planning for Waterfronts

Citrus County shall develop joint planning and management programs with the Cities of Crystal River, Inverness, Yankeetown, Inglis, and Dunnellon and the Counties of Hernando, Marion, Sumter, and Levy to:

(1) Ensure adequate preservation of recreational and commercial working waterfronts including water-dependent and water-related land uses
(2) Prevent water pollution
(3) Control and retrofit stormwater runoff and inadequate facilities
(4) Protect living marine resources
(5) Reduce exposure to natural hazards
(6) Ensure public access
